

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to GOP candidates appears to be a serious abuse of its access to the public airwaves, and a violation of at least the spirit of electoral fairness, and at most the law, in access to the media. This action is clearly not in the public interest. This abuse should be addressed by the FCC. Please take immediate action on this improper use of media power by Pappas, especially with regard to continuation or renewal of their license.

Thank you.
